

Swipe. Seal. Done.®

Metal Wizard™

INTRODUCING

Environmentally
Friendly

- Excellent for decorative wrought iron, railings & furniture
- Natural rust resistance
- High gloss BLACK finish
- Traditional oil-based protection
- Interior & Exterior use
- Not recommended for galvanized metal
- Also great for wood!

Metal Wizard is a traditional oil based, black gloss coating for use on wrought iron and a variety of metal and wood surfaces including light fixtures, metal posts, mailboxes, furniture and any other surface where a high gloss black finish is desired.

It's as simple as Swipe, Seal & Done.

Metal Wizard contains 0.12 lbs of VOC's per container in keeping with our commitment to the environment.

Available in 4 oz. easy-to-use applicators (16 bottles per case)
