

Ideal for small, light jobs around the home or office

# The PumpkinHead™ BRUSH

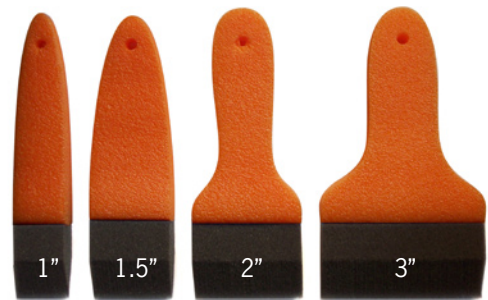

## First & Only Disposable 100% Foam Paint Brush!

For use with all latex, oil-based & craft paints

The **disposable** PumpkinHead™ was designed to be the first truly inexpensive, all-foam paint brush. The uniquely designed handle fits comfortably in your hand holding enough paint for any touch-up job around the home or office. Unlike traditional foam brushes, the PumpkinHead will **NOT** lose its shape when saturated with paint due to its unique design. Ideal for quick touch-ups on trim, crown molding and doors and the perfect tool for touching up faux finishes and other decorative patterns. When you're finished—simply throw it away! The attractive large orange handle makes the perfect impulse buy for those standing at the counter or waiting in line.
